COMPANY INTRODUCTION

THE LEADING BEVERAGE MANUFACTURER

Nawon Food and Beverage Company Limited, the Leading Food and Beverage Manufacturer and supplier based in Vietnam, was established in early 2018 with a passion for introducing Vietnamese tropical healthy drinks all over the world.

WHAT WE DO

We continuously explore new categories of drinks. Besides the Fruit Juices, Nawon also offers a variety of beverages such as Coconut Water, Aloe Vera drinks, Energy Drinks, Seed Drinks, etc.

VISION

We always put quality and reputation at the top of the business, enhancing the value for our customers, associates and communities to become the Leading Beverage Company.

MISSION

Our mission is to protect and improve customer's everyday health and life. We ensure to provide the freshest, purest and the most natural, healthy drinks to our customers.

10+ PRODUCTION LINES
300+ CONTAINERS PER MONTH

03

WHY CHOOSE US

NOT FROM CONCENTRATE

Our motto: Your Health is Our Mission. Located in Vietnam which is famous for the variety of fresh and best fruit, Nawon has its own fruit farm to serve the manufacturing process. Besides, Nawon ensures the quality of raw material, sanitation, and hygiene for processing the raw materials.

OEM/ ODM

We are Beverage Manufacturer. We provide drinks under Nawon brand or OEM/ODM service for private labels. Thanks to the variety of available packaging/ bottle shapes and the most modern technologies and equipment in the food and beverage industry, Nawon guarantees mass production and low price.

WHOLESALE PRICE

At Nawon, we offer the Free Sample and Free Design Label. Besides, Nawon has significant experience of exporting beverages all around the world at wholesale price for many years.

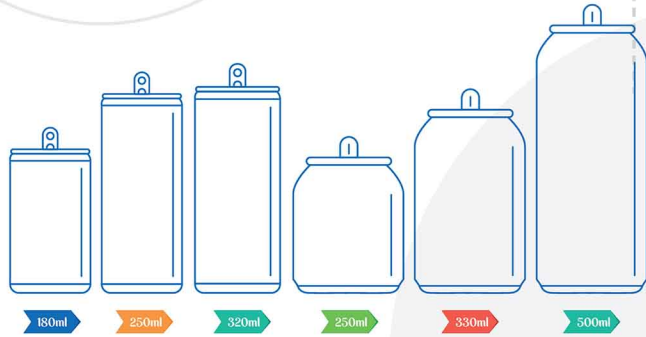

DIVERSITY AND FLEXIBILITY

As a leading beverage supplier, Nawon has achieved many accredited certificates such as USDA Organic, Euro Organic, ISO 22000, HACCP, GMP, HALAL, FDA, etc. NAWON must fulfill high quality and safety standards to meet public expectations, maintain legal compliance, satisfy customers.
