# D11/D11s/D11 Pro 0.5 inch label printer

Hot Selling Product

Mark your good life with your heart

## Product Characteristics

Thermal printing, no ink required  
Avoid ink contamination and eliminate the trouble of cleaning

Simple operation, multi-purpose in one machine  
Intelligent operation, easy to carry

Various templates  
Enrich your life with good time printer

Bluetooth wireless connection  
Achieve freedom of printing anytime, anywhere

## Product Specifications

Product Name:	Mini Handheld Label Printer
Printing Method:	Thermal Printing
Resolution:	203dpi
Printing Speed:	15mm/s (Max)
Printing Paper Width:	12mm
Paper Type:	Label (Including transparent paper)
Paper Bin Size:	φ40*15mm
Battery Capacity:	1500mAh(D11/D11 Pro)、1200mAh(D11s)
Dimensions	120*83*33mm

Note: D11 Pro supports consumables identification
